## A villa in Sri Lanka for 6 people for 5 nights

Taru Villas is an eclectic collection of boutique hotels and villas in Sri Lanka, each with their own unique character, style and charm. To a few fortunate visitors, Sri Lanka comes to mean more than the sum of its parts – more than the beautiful scenery, the delicious food, the ancient monuments and ‘exotic’ cultures. When they leave, these chosen ones often take away more than they expected – the vision of a quiet, unpressured style of life, a uniquely Sri Lankan concept of ease and elegance.

This incredible prize provides a 5-night stay for up to 6 people at Taru Villas with the choice of 4 locations: 906, Rampart Street, Tangalle Social or Yala. All villas come with breakfast included towards the prize draw. The stay expires on the 1 December 2022 and is not valid for bookings made between the 1 December 2021 - 1 February 2022. Full details can be found via [www.taruvillas.com](http://www.taruvillas.com).

Flights are not included but should be booked through Kit Chambers ([kit@hummingbird.travel](mailto:kit@hummingbird.travel)) at Hummingbird Travel. Hummingbird Travel Ltd are an Indian Ocean holiday accommodation wholesaler and manage Indian Ocean holiday destinations for their clients.

## 5 night stay in a town house in Antibes

Situated in the heart of Antibes overlooking the main square, this flat in the former Brazilian embassy is typically French (it is more Parisian apartment than the traditional Antibes fisherman's house) which is why the owners fell in love with it. It has high ceilings and grand French windows with shutters and has a very spacious feeling.

Bed 1 has a double bed;

Bed 2 has a double plus a single  
on a mezzanine;

Bed 3 is above the lounge  
with 2 singles or 1 king.

You can sit on the balcony with your coffee on a Saturday morning watching the hustle and bustle of the main square and the antiques market or have a glass of wine in the evening watching the world go by.

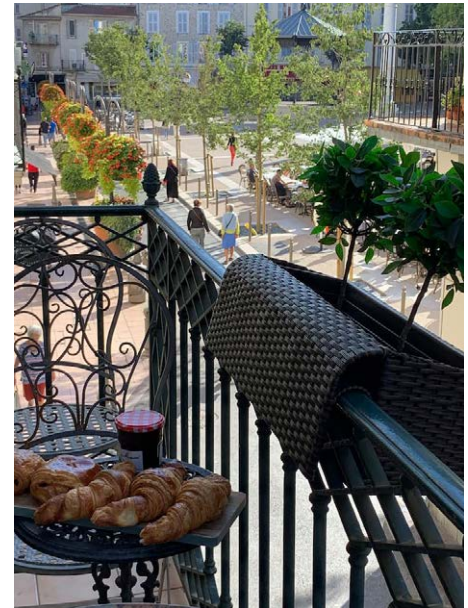

It is perfect for groups or for a  
romantic break.

Date by mutual agreement.

## A bottle of Glengoyne 25 Year Old Whisky

Matured exclusively in hand-selected sherry casks for a quarter of a century, this unique malt is an important addition to the Glengoyne collection. This bright amber beauty has red fruits, leather and brown sugar on the nose and soft oak, cinnamon, stewed fruits and a Seville marmalade tang on the palate. The finish is very long with spicy liquorice. The malt is presented in a new heavy bespoke bottle and outer box. The bottle features a fine metal stopper, crafted cartouche and delicately branded neck tag and is attractively displayed in an oak box interior which includes an engraved plinth. The elegant exterior has a refined feather pattern subtly varnished on the pack.

The Game & Wildlife Conservation Trust is an independent wildlife conservation charity which has carried out scientific research into Britain's game and wildlife for the past 70 years. We provide advice to farmers and landowners on improving wildlife habitats and use our science to influence agricultural and conservation policies.

The GWCT has been revolutionising the way the British countryside is managed for the benefit of game and other wildlife. Our research has developed practical solutions for conserving game and wildlife through proactive and positive management. Many of our supporters take part in sporting pursuits. They invest in managing habitat in the countryside. This improves biodiversity and represents a philosophy of 'conservation through wise use'.

Our regional committees are the backbone of our fundraising efforts. Without their dedicated work, support, enthusiasm and impressive fundraising activities our research would be far less effective. If you would like to see our countryside conserved for future generations please support us.
